Halli Trust stands in the GAP for our precious communities through EDUCATION

Educational Involvement

Community Involvement

Rehabilitation and Caring of Animals

Halli Trust was established on **17 September 2010** by the Naude family. Heidi's (CEO/Trustee) father passed away in 2008 and left her with an inheritance.

Martin Naude, Founder of Halli Trust was inspired and with a grateful heart suggested we start an NPO. The intention was to make a difference in lives by moving hearts and changing lives forever.

Mission

To make an immeasurable difference in our communities through education and awareness creation.

Vision

To have Halli Trust become a self-sustaining NPO with the ability to spread its wings both across and beyond the Helderberg Region.

To have an outcome to measure and observe the change and impact people can make in their communities and their lives.

Motto

Our motto is to be grateful, faithful, humble, and honest. To have integrity, compassion and be transparent at all times. We want to serve our communities and make a quantifiable difference.

Halli Trust stands in the GAP for our precious communities through EDUCATION

Educational Involvement

Halli, our cool mascot is an Akita Japanese dog. He is a fun and loving mascot.

Halli assists us with various educational talks on Wednesdays and Thursdays.

We would appreciate a R5 contribution from the children towards a Halli Visit, although a goods donation will be appreciated.

Vision

Through our educational talks, we want to leave seeds of knowledge in children's minds that educators and parents can further develop.

Community Involvement

We assess clients at their homes (Helderberg area) to establish the context of their circumstances.

We determine the immediate need, this enables us to plan our assistance to the individual/family. We assist in their physical and emotional needs for a short period.

We welcome any donations.

Vision

To assist families/individuals for a short period of time and for the family to sustain themselves again.

Additional Community Involvement

Halli Clubs

(8 - 10-year-old children)

Halli Leaders

(11 - 18-year-old children)

Needle Work Club

Vision

Halli Clubs: To have well-rounded Halli Leaders who are prepared to be the forerunners for their generation.

Needlework: To empower women through a sisterhood to learn a new skill. The skill can be implemented to start their own sewing business.

Rehabilitation and Caring of Animals

We promote the care of animals in our community (Helderberg area) by educating the owners the needs of animals and the owners' responsibilities.

We assist owners to sterilize their animals.

We welcome any donations.

Vision

To educate owners to take proper care of their animals.

We undergo annual financial audits, which we submit together with an annual progress report to the Department of Social Development. We provide **Article 18A – PBO invoice** for donations made to Halli Trust. We provide letters for **BEE Requirements**. We are registered to work in the Western Cape.

Good News Feedback of the year:

Educational Involvement

Llene is a very special Halli Friend and she loves our mascot Halli! We decided to surprise her at her home with a little Build-A-Bear Workshop Halli doggy! She was over the moon with excitement and could not stop smiling! It was such a pleasure to meet her family and to spend time with them. Llène made tea/coffee for us, we danced with her and had so much fun. This was a very special visit for us, and we will treasure it in our hearts forever! Llène you are amazing and super special!

Riding for the Son Bikers surprised the children of Gloria Botha School. Each child received a soft toy and sweets from the bikers. The children were over the moon of excitement to see Halli our cool Mascot on the bike, this was so special for all of us, what a super Friday! Thank you to the awesome Bikers, the staff of Gloria Botha School and most of all the children!

Chase – Saw Halli at a Halli Visit at his school and he could not stop talking to his mom about how awesome Halli is and what we do, that it inspired his mom so much that she got her company involved and they blessed us with a financial donation

Gordons Bay Primary – The Grade RR class at Gordon's Bay Primary School was so ecstatic when Teacher Androni Naude gave them Halli's colouring pages to colour in! The highlight was when one of the learners, Miraj came to her and said, "it was the best day when Halli came to visit, he must please come again"

We visited a school to do the Body Preventative talk and it touched one of the kitchen staff so much that she came to us after the program and said to us "where were you 50 years ago?" with tears rolling down her face. The pain that she was carrying was immense. We went back the next day and as she opened up to us, she mentioned "who will listen to me after all these years?" it touched us so much and made us realise once again how important the Body Preventive talk is and how super important it is for everyone to talk, talk, and talk!! We were able get her some help and we will continue to keep her in our prayers

Community Involvement

Gloria Hungana – Community Representative in Nomzamo/Lwandle/Zola visited **Gogo Sylvia** in Nomzamo. She was delighted with all the nappies, ointment for bedsores, fan, chocolate Steri-Stumpi, and groceries we bought her (that is easy to eat). Gogo Sylvia is a fragile paralyzed lady. At our visit with Gogo Sylvia, Gloria gave her from the steri-stumpi and she loved it. Her

gratitude really touched our hearts as she could not stop thanking us. Gloria and she sang together as she missed it so much to go to church and be with other friends. Sadly, shortly after she passed on. Our prayers and condolences were with the family. It was such an honor to have known such an awesome woman!

Gloria Hungana – Community Representative in Lwandle/Nomzamo/Zola was walking home when she saw **Manyawuza** and her daughter collecting tins in the street. Gloria spoke to her and asked her why she was collecting tins and she said that she was not working, and she is collecting tins to support her and her daughter. Manyawuza was just about to cry when we gave her groceries.

We received a **big financial donation for groceries**. This was amazing and we could buy groceries for many families.

Gloria Hungana – Community Representative in Lwandle/Nomzamo/Zola, after we received a desperate letter from a little girl of our Halli Club Nomzamo. Gloria assessed the **Nogqala family**, and she saw the needs of the family. Single mom, without work, and her two children received school clothes, shoes, sweets and groceries. Her small family was so grateful and happy beyond words. Mom and daughters kept on saying thank you with tears in her eyes, they are so grateful for the support we have given them.

We helped a **Zimbabwean lady, Angeline** with groceries, after Gloria received a message that she has not eaten for 3 days. When we dropped off the groceries for her, she could not stop crying. As we left, she stood with tears in her eyes, hands covering her face, so grateful that we helped her. We received a message saying “thank you so much! Because of Halli Trust I have become a better person than I was before”

Anastacia Maloao - Community Representative in Lwandle/Nomzamo/Zola, assisted the **Mphosi family** in Zola. She helped them with groceries, and we bought new school clothes for the boy. She phoned the office to say thank you so much and Anastacia said they were so grateful for the groceries as they really had nothing in the cupboards to eat and the boy had no school shoes.

Fire Victims

We had lots of fire victims in Smartie Town, Nomzamo, Zola, Sir Lowry’s Pass and Lwandle. We were able to help many families with basic household items, clothes and groceries.

With the little we help families, the response of Hope is bigger than we can imagine - it might not be much, but those faces that light up when we hand out those few things to help them rebuild their lives are the greatest blessings for us

School clothes

We were able to buy new school clothes, school shoes and socks for many children. We are super grateful that we can assist children to attend school and feel good in their new school clothes. This is very important to us to help children with school items as we enable a child to attend school to feel proud and confident.

Additional Community Involvement

We asked **PATCH** to help us with 4 children after Nicolette Elias did the ‘Frikkie’ talk with the children. We are always grateful that we could make a difference / change in any child’s life!

A little girl in the Nomzamo club wrote us a letter about her family, there was no food, nor did she and sister have any school clothes, our Community Representative, Gloria Hungana went and assessed the family and immediately saw the need, we were able to help the family with groceries, school clothes and shoes! They were overjoyed!

Halli Homework Club

We visited a school and one of the learners of this school is in our Homework Club in Nomzamo – the teacher/social worker said to me she can see that homework gets done with the little girl, we were surprised at first and then realized but she is referring to the little girl attending our Homework Club in Nomzamo. **Mandi one of our Homework Club volunteers** is doing such a super job assisting the children with homework. We are so proud of you Mandi!

Halli Club Nomzamo

The children received their green t- shirts for the first time for those who attended 3 Halli Clubs in a row. They were so excited and proud to wear their t-shirts.

Halli Leaders Clubs

We were super excited for the new start of our Halli Leaders Club. They have their own monthly get together. This is to help equip them as the future leaders and nurture them in their own lives

Halli Club ambassador – Aventhandwa has been a great ambassador for Halli Club Nomzamo without anyone knowing about it. She was one of the children who was selected as a new leader because of her age and her constant attendance, yet not knowing she was a true leader already going out beforehand to remind every child in her area that they need to be present at the scheduled Halli Clubs. It’s because of her that all the children she called, received attendance certificates. Her aunt’s heart was filled with joy when she found out that she was selected as a New Leader

Halli Club goal setter – Luhle Hungana said to Gloria our Community Representative after receiving her Halli Club attendance certificate that in only 2 years’ time she will also be chosen to be a leader and she cannot wait for that!!

Homework Club – Mandi Scott has taken the initiative to teach those who could not read and write. She does awesome practices with them

Marshalling for Cape Town Cycle Tour

Most of the people that helps us is our dear friends from the community. We are super grateful for each marshal that’s always willing to put their hands up to help us. The team enjoys this so much as most of them has never been in Cape Town of an event like this.

Needlework Club - Eve and Cheryl made a huge difference with our needlework club ladies. The ladies loved each moment of learning how to make clothes for themselves. The proudness and satisfaction on the faces of these ladies are precious to see each Friday. We were at the brink of cancelling the Needlework Club as there was no mentor and we were struggling to find one.

Just before we made the final decision Lynn Merry stood up and said, "I am here for you, I will be here to mentor these ladies" It has been a great success thus far!

Gloria Hungana and Anastacia Molaoa, our Community Representatives blessed **7 families with food parcels**. They were grateful and in tears when we arrived. We were just in time with the food parcels, in IsiXhosa there's an idiom that says "the cat is sitting on the stove" which means there's no food in the cupboards. Another family's daughter passes out due to not having enough food to eat. We were fortunate enough to have blessed all these families and to put a big smile on their faces as they opened those parcels.

General

Florence Dally – She is 92 years old and after a medical setback she felt that Halli Trust is the only thing that keeps her going and gives her a reason to live. It was her 2nd year this year that she contributed to our Madiba Day Beanie Drive by knitting 67 beanies this past year.

Bridgewater Manor – We did a presentation at Bridgewater Manor Frail Care for the residence, and it was such a special experience, for one, 1 of the residence danced with Halli our Mascot and she couldn't stop dancing, it was so precious to see.

Sarah Merjanah came all the way from Belgium to experience life in our communities and see what Halli Trust all is about. She enjoyed every second of it!! She loved seeing how the little children danced for her. Sarah says that it really touched her heart and left her speechless to see the work we do.

Pikkewouters school had their Caring Month in May, and they donated all the donations to Halli Trust. We received toiletries, groceries, and soft toys. This is amazing, and such a huge blessing. A big thank you to all those from Pikkewouters School who contributed. We were able to bless so many families.

Magic Radio 828 Beanies for Babies Drive – They have contacted Heidi Naude to inform her that they have nominated Halli Trust as their choice of charity to do this awesome beanie drive for Madiba Day 2022. Megan Edwards did a tremendous job when she was interviewing Heidi Naude.

Halli Trust Madiba Day Beanie Drive 2022 – Our goal this year was to hand out 1000 beanies, and we are super proud to say that we achieved that goal! We handed out over 1000 beanies, and all the people who took hands with us during this drive was overwhelmingly awesome! We are appreciative towards Tyger Brands, Feedem foods and Tru-Cape for their contribution.

Coca Cola and OK Foods Tradeshow – We were nominated by OK Foods and Coca Cola to receive a bountiful donation! We were able to bless so many families with groceries, dairy products, fresh produce, cakes, bread, cold meats and beverages

Balwin Foundation – For the first time Halli Trust is one of 8 charities/NPO's that was selected to be part of the Balwin Charity Hat Walk! It was such an incredible experience and trust to be part again next year!

Golf Day 2022 – We had another successful Golf Day this last year and we are amazed at the support we got from all our golfers

Zimbabwe blessings – Angeline in Zimbabwe is always in awe to the blessings that we can send to her. She says that Halli Trust has changed not only her life but also her family and the community. Her reputation has exceeded her because of Halli Trust, and she cannot say thank you enough for everything

In December we blessed **27 families with groceries** to give them a push over the festive season

13 Children started their school year with great confidence and pride in their new school clothes, shoes and socks that we could bless them with

A Halli Trust friend told us about an **elderly man from Lwandle** who is struggling to come by, and Gloria had the urge in her heart to help him with a food parcel. When we got to him with the parcel, he was extremely grateful and kept on saying thank you, thank you, thank you! He also mentioned to us that he has been surviving on a porridge called 'Morvite' which was all that he could afford to eat...this really moved our hearts!

A big heartfelt "Thank You" to the Helderberg Community for all the **donations** we received during the year. We appreciate your trust in us and are eternally grateful to you for taking our hands and surprise people with unexpected gifts and blessings!
