## **Highlights for the year:**

### **Needlework Club Involvement:**

They appreciated and were so grateful for the precious time they spend on Friday mornings, it was really a sister hood gathering, they laugh, sharing years back memories and jokes. They cannot wait for 2021 needlework to start and for all the new design's and techniques and the experience on every Friday.

### **Community Involvement:**

**Khayakazi Mtutu** – We help her with kitchenware, linen, furniture, and groceries she was excited as she had only a cupboard and borrowed a bed for her house, she said God changed her situation in one minute. She thanks the lady that introduce her to Halli Trust. We can help each other by listening to each other needs.

We celebrate **Barbara Bagguley's 90<sup>th</sup> Birthday on Friday 24 January 2020**. We took a cake, balloons, and flowers to make her day special. She is such a wonderful dear friend of Halli Trust and has given so much to us. Barbara has made numerous quilts that we used for prizes with the raffles we do with schools. The quilts are beautiful, and it takes a lot of hard work and effort to make these beautiful works of arts.

We are in awe, our hearts filled with excitement, tears of joy, GRATEFUL. We received the biggest unexpected blessing by **Young Minds in Business programme from USB-Ed (USB Executive Development) on 19 February 2020**. 120 students were given a challenge: The challenge was as follows. They had to partner with another student and each student had to put in R100. With the combined R100's they had to make money in any way they could think of. The project ran for 5 days to raise funds for Halli Trust. The students were very creative, and they had to come up with creative business ideas. The students donated R 84 048.00 to Halli Trust which they managed to raise in just 5 days. A huge thank you to the Aurelia de Villiers and Anelda Lochner who facilitate the programme.

We do not have enough words to express our gratitude. Halli means unexpected gift and blessing, and we have experienced this first-hand. We want to give the students of Young Minds a huge thank you for all the effort and hard work! You guys are amazing! This blessing will stay in our minds for ever and ever! We are extremely grateful towards all the students and facilitators thank you for making a difference. We appreciate you!

**Christopher Orion, one of our dedicated Halli leaders** of Smartie Town brought his puppy to us, because he thought his puppy was disabled. After our Animal representatives assessed the puppy, they told us that the puppy was not disabled, it was because of malnutrition that the puppy looked disabled. We gave Christopher vet approved puppy food, deworm and anti-flea tablets, and advice on how to take care of his puppy. The puppy is doing very well now, and Christopher even said that Halli Trust saved his puppy's life.

We wanted to bless **Luchasia Mdungwana from Zola**. She is unemployed and has very little for herself and her children. She did not know that we were going to bless her. Just before we went to her home, she sent us a WhatsApp message to say that she would really appreciate it if we can help her neighbour with groceries. As we arrived at her home, we said to her that we wanted to bless her with groceries and that the parcel was for her. She said with no hesitation, "Please give it to my neighbour", not saying "We can share", or "We can help her next week". NO, she said, "Please help my neighbour, I AM OK FOR NOW". We were so blessed by her act of kindness! This is kindness, love, respect, caring and really something special we witnessed! We were touched and blessed by this amazing act of Luchasia.

**Nosiphiwe Ntlaahla from Zola** is unemployed and a single mother, who sometimes goes to bed with an empty stomach. She was on her way to ask for a R20 from a friend, but then rather knocked on our Community Representative, Anastasia Moloao's door to ask her for food (breakfast). Anastasia was busy sorting out the groceries parcels and she gave Nosiphiwe a grocery parcel. God blessed Nosiphiwe with a huge bag full of food and she could go home and feed her children. She was so blessed! God always looks after us and provides for us.

We helped a **lady from Zimbabwe** with a food parcel, she really appreciated what we did for her and her family. They are getting food from their family members sometimes as it is hectic for everyone now, because of lockdown. She could not believe her eyes when she got the parcel, she even spoke Sotho "Kea leboha (thanks)".

Gloria Hungana helped a **group of ladies from Nomzamo and Zimbabwe** with food parcels. These ladies were so grateful to receive the groceries. They usually share a 1kg of maize meal amongst them, but that day we were there at the right time, as they did not have any food left. They are not family, yet they are living together in the same yard.

So many people were helped in this time of need. People lost their jobs and did not have money to buy food. During lockdown and even after some people could go back to work, they really struggled.

Our **Community Representatives Gloria Hungana, Anastasia Malaoa and Olie Basson** received feedback from all the people we were able to help, on how grateful the people were to be able to put food on the table with the help they got from Halli Trust. The groceries, household items and clothes that we handed out made such a big difference, because people could use the little money, they had to buy other necessities. It warmed our hearts to know that we could make a difference with the donations we received.

**Gloria Hungana** dropped off a food parcel for her neighbour **Nomlondolozzi Nogemana in Nomzamo**. Nomlondolozzi was not home at the time. One of the two brothers were busy eating a bowl of food when she got there. The little one cried as we asked him to put the food down for us to take a photo. Later the same day the mother went to Gloria's house to thank her for the food parcel. She was overwhelmed with tears and speechless. She just gave Gloria a big hug and told her that she did not expect it and that she was very grateful, because groceries came at a right time and while she was away, she went to ask a friend for help because the situation at home was really sad. She was beyond grateful, because the bowl of food that her little boy was eating when Gloria got there was the last food they had in the house. She went out to see if she could find something for them to eat.

Gloria Hungana and Heidi Naude, our CEO, has been assessing and helping clients for the last 10 years. Gloria also knows Heidi and she said she knows Heidi always prays for people when we give them a "giving". Although we did not pray for the family that day, we gave them a piece of paper with a prayer on. Gloria says she knows Heidi always prays, not always in words but a message with a prayer, as Heidi always wants to see a miracle for the families.

We helped **Thandiswa Fatuse from Nomzamo** with a grocery parcel. She is not working now, and she was on her way to go to Shoprite to buy something. A white lady drove passes her and said please come to my house, I want to give you something. This lady did not know her, but she gave her everything in packs of six and they are six people in the house. Gloria says we were the first people to enter the house to bring hope and she felt blessed.

Anastasia Malaoa helped **a friend in Zola**. She said she was not aware that she had a sister who fills the gap in different ways, offering such a lot of food without paying a cent. She was totally shocked, therefore I asked her to invite God in every situation she is facing. With Him everything is possible, and she must pray for us as well.

Olie Basson said **all the families in Smartie Town** we assisted with food parcels are grateful. They said, "Olie, look now I can make 'vetkoek' and bake bread. Thank you, Olie, for the food parcel because we had nothing in our cupboards to eat."

"It is so important to give hope, respect, and love, with the Power of Prayer! See, God works in amazing ways!" said Gloria Hungana.

These are **some of the stories/feedbacks** we received from the groceries parcels we handed out during lockdown. We were so blessed with all the donations we received and the difference we could make in so many people's lives.

**Emma Bester**, 6 years old saved up her pocket money to buy a big bag of doggy food and donated it to us.

**Ntombencinci Sihlangu**, was retrenched and she went to CCMA for unfair dismissal. We assist her with a grocery parcel to assist the family. On Monday, the 21 September 2020 she gave feedback, she won the case, and she will get paid. Gloria Hungana, Community Representative take her under the wing and will look after her.

**Nosiphiwe**, thank Anastacia Maloao, Community Representative, after the support from Halli Trust and that God bless her with a job.

**Peter Hoogbaart**, from Smartie Town, told Olie Basson Community Representative and Helen Jonkers Needlework Representative said that he is so grateful for the "green bus" and Heidi for everything she is doing for us in Smartie Town. God bless Heidi and the team abundantly for the involvement in the community. He is also super grateful for the clothing donation we gave him.

**Dennis**, from Smartie Town, told Olie Basson our Community Representative that he is so grateful for clothes and meat bones he received as a donation. So great to know the difference we make in people's lives.

**Karel Pienaar**, from Smartie Town is so grateful for the donations and the support from Representative Olie Basson and from Halli Trust.

**Heidi Naude - Halli Trust CEO** had a special birthday on the 26 August. We celebrated it together with Halli friends and the team. We had cake, snacks, tea, coffee and cooldrinks. The team surprised her and made her day very special. Heidi was so grateful and enjoyed every moment of her birthday!

**Mr Sihlongu** - We blessed him with clothes. He was so grateful and happy to receive the clothes and he told me he is going to bath himself and wear the clothes.

**Nelso Mxoli** - We also blessed him with furniture he starting to build his house there was nothing to his house.

**Khayakazi Mtutu** – We help her with her with kitchen ware linen furniture and groceries she was excited as she had only cupboard and borrowed bed in her house, she said God can change the situation in one minute she thanks the lady that introduce her to Halli Trust we can help each other by just listening to someone.

**Peter Hoogbaard** – Peter just wants to thank Halli Trust for the beautiful clothes he received he only had one pants. He must wash and wear it on Sunday to church as well. He said Halli Trust must carry on doing this grateful awesome work in the community and we will be blessed by God.

**Yolanda Basson** – Yolanda is very grateful and appreciate the clothes and the linen. God bless Halli Trust.

**Magdalene Jacobs** – She did not have anything in the kitchen, and she appreciate and receive the clothes and kitchen ware with tears in her eyes and is very grateful.

### **Needlework Club Ladies:**

**Needle Club Ladies** - They appreciate and are so grateful for the precious time they spend together it was really a sister hood gathering they laugh telling years back memories and jokes having tee coffee together. This was an awesome time cannot wait for next year.

### **Rehabilitation and Caring of Animal:**

**Doggy Care Days** - we are so excited about the doggy care days, as this has provided to be a great opportunity to educate the community on how to take care of their own animals. A total of 280 dogs were treated during the 3 doggy care days we had this year.

### **Halli Trust 10<sup>th</sup> Year Birthday Celebration:**

**Halli Trust 10<sup>th</sup> Year Birthday celebration** - firstly we celebrated the morning of 17 September at the office with the team and Honorary Halli Family members. We had cake and tea together. What a great B-DAY to celebrate 10 years of making a difference in the Helderberg area!

We had a delicious lunch on Saturday 19 September at Eikendal Giovanni's Restaurant. They served us a delicious lunch and cooldrinks. We had such a great time, we all share some Halli memories, and talk about the boomerangs we had during the path, and we laughed.

We ended the outing with a 10-year B-DAY cake with the team. We are so grateful to be able to celebrate such a great milestone with the team and friends!
