Halli Trust stands in the GAP for our precious communities through EDUCATION

Educational Involvement

Community Involvement

Rehabilitation and Caring of Animals

Halli Trust was established on **17 September 2010** by the Naude family. Heidi's (CEO/Trustee) father passed away in 2008 and left her with an inheritance.

Martin Naude, Founder of Halli Trust was inspired and with a grateful heart suggested we start an NPO. The intention was to make a difference in lives by moving hearts and changing lives forever.

Mission

To make an immeasurable difference in our communities through education and awareness creation.

Vision

To have Halli Trust become a self-sustaining NPO with the ability to spread its wings both across and beyond the Helderberg Region.

To have an outcome to measure and observe the change and impact people can make in their communities and their lives.

Motto

Our motto is to be grateful, faithful, humble, and honest. To have integrity, compassion and be transparent at all times. We want to serve our communities and make a quantifiable difference.

Halli Trust stands in the GAP for our precious communities through EDUCATION

Educational Involvement

Halli, our cool mascot is an Akita Japanese dog. He is a fun and loving mascot.

Halli assists us with various educational talks on Wednesdays and Thursdays.

We would appreciate a R5 contribution from the children towards a Halli Visit, although a goods donation will be appreciated.

Vision

Through our educational talks, we want to leave seeds of knowledge in children's minds that educators and parents can further develop.

We undergo annual financial audits, which we submit together with an annual progress report to the Department of Social Development. We provide **Article 18A – PBO invoice** for donations made to Halli Trust. We provide letters for **BEE Requirements**. We are registered to work in the Western Cape.

Community Involvement

We assess clients at their homes (Helderberg area) to establish the context of their circumstances.

We determine the immediate need, this enables us to plan our assistance to the individual/family.

We assist in their physical and emotional needs for a short period.

We welcome any donations.

Vision

To assist families/individuals for a short period of time and for the family to sustain themselves again.

Additional Community Involvement

We get together monthly on a Friday afternoon from 14h30 to 17h00.

The **Halli Leaders Club** is for the 11-year-old children who showed leadership skills and attended every gathering during their last year in the Halli Club. The leaders will be part of the Halli Leaders Club until the age of 18 years. We get together monthly on a Monday afternoon from 16h00 to 17h30.

We have started with a new life skill/leadership program and selected children to walk a 3-year journey with us.

We provide weekly Homework and Reading Clubs for the children during the school term. We want to invest in these awesome children as much as we can with the resources we have.
